LETTER-WRITING GUIDE

French

INTRODUCTION

This guide is for researchers who do not speak French but must write to France, Belgium, Luxembourg, or Quebec to request genealogical records. It includes a list of sentences you would use in a letter about genealogical records and a French translation of these sentences.

BEFORE YOU WRITE

Before you write a letter in French to obtain family history information, you should do these things:

□ Determine exactly where your ancestor was born, married, or died. Because most genealogical records were kept locally, you will need to know the specific town where your ancestor's records were kept. See the *Tracing Immigrant Origins Research Outline* (34111) from the Family History Library™ for help in finding hometowns.

□ Determine if the Family History Library has records from the area where your relative lived. The best sources of information in French-speaking areas are records of births, marriages, and deaths kept by civil registration offices (or parishes in Quebec). The library has microfilmed these records for many localities, but not all. Use the Family History Library Catalog™ to determine what records are available through the Family History Library and Family History Centers™. If records are available from the library or Family History Centers, it is usually faster and more productive to search these records first. The library's *France Research Outline*, *Canada Research Outline*, and *Quebec Research Outline* explain how to research records at the library or at Family History Centers. If the records you want are not available at these locations, you can use the research outlines to help you decide what records to search. Write to the Family History Library (35 North West Temple, Salt Lake City, Utah 84150-3400) for the addresses of nearby Family History Centers.

□ Determine where records from your ancestor's hometown are stored today. Records for smaller localities may be kept with records of a nearby larger community. You can use a gazetteer to determine which community serves your ancestor's locality in France, Belgium, or Luxembourg. For help locating records, see the library's research outline for France. For help locating parish records in Quebec, see the library's research outlines for Canada and Quebec.

RESEARCH BY MAIL

What to Ask in Each Nation

Write *only* when you cannot find the information any other way. The following list shows the kind of information you may be able to obtain through correspondence from several kinds of organizations in French-speaking nations:

In **all French-speaking nations** you can write to—

- *Genealogical societies.*
 - Request that the letter be forwarded to a member interested in the same family, locality, or group of people.
 - Request a list of people who might consider making a short search of records in a nearby repository for pay.
- *Professional researchers.* Offer to pay a researcher for a search of records in a nearby repository.

In **France and Belgium** you can also write to—

- *Civil registration offices.* Request a birth, marriage, or death certificate to verify the place of origin of a direct ancestor.
- *Departmental or provincial archives.*
 - Ask where the records of a specific town are kept and what dates the records cover.
 - Ask when their archives are open to the public.

In **Luxembourg** you can write to—

- *Civil registration offices.* Request a certificate to verify the birth place of a direct ancestor born within the last hundred years. The Family History Library has filmed most earlier records from Luxembourg.

In **Quebec** you can write to—

- *Roman Catholic parishes.* Request transcripts of baptism, marriage, or burial records from 1877 to the present. The Family History Library has filmed most earlier Catholic records from Quebec.

Addressing the Envelope

Societies. The book *Genealogical Research Directory: National and International* by Keith A. Johnson and Malcolm R. Sainty lists the addresses of most genealogical societies in French-speaking nations (Sydney: Johnson and Sainty, 1993; FHL book 929.1025 G286grd 1993).

Address the envelope to—

Monsieur le Président
(Name of the society)

(Address)
(Postal code) (Town)
(NATION)

Professional researchers. Names and addresses of researchers for hire can be found in genealogical periodicals.

Civil registration offices. (France, Belgium, and Luxembourg only.) Address the envelope to—

Monsieur l'officier de l'état-civil
Mairie de (Town)
(Postal code) (Town)
FRANCE, BELGIUM, or LUXEMBOURG

Archives. Find archive addresses with the help of the *France Research Outline*, the International Council on Archives' *International Directory of Archives* (Archivum Series, vol. 38 [Munich: Saur, 1992]; FHL book 020.5 Ar25 v. 38), or call the Family History Library at 801-240-3433.

Address the envelope to—

France: Monsieur le Directeur
Archives départementales
(Postal code) (Town)
FRANCE

Belgium: Monsieur le Directeur
Archives de la Province
(Postal code) (Town)
BELGIUM

Catholic parishes. (Quebec only.) Address the envelope to—

Monsieur le Curé

CANADA (Postal code)

Postal Codes

When addressing your letter, you will need to write the postal (zip) code **before** the name of the town when writing to France, Belgium, and Luxembourg. Write the postal code **after** the word "Canada" when writing to Quebec. For help finding postal codes, use the postal gazetteer for the country, or call the Family History Library at 801-240-3433.

How to Send Return Postage and Money

The first time you write someone in Europe or Quebec, send three international reply coupons (available at most large post offices) to pay for return postage.

When writing to a parish in Quebec, it is also a good idea to send a donation of \$10 as a courtesy. Do not send a personal check, which is difficult and expensive to exchange. Cash is most easily converted to foreign currency, but there are always risks in sending cash.

An easy and inexpensive way to send money to Europe or Quebec from the United States is to

telephone Ruesch International Financial Services at 800-424-2923. Ask for an international bank draft for the equivalent of \$10 (or another amount) in either Canadian dollars or Belgian, Luxembourg, Swiss, or French francs. There is a \$2 service charge. Have the check made payable to the organization you are contacting (the *Paroisse* [parish] in Quebec). Ruesch will give you a transaction number to write on your payment check. Send the payment to—

Ruesch International Financial Services
International Division, 10th floor
1350 Eye Street N.W.
Washington, DC 20005

When they receive your payment, Ruesch will promptly send you a foreign currency draft (check) you can mail to Europe or Quebec.

Some researchers do not send money when writing to a civil registration office, archive, researcher, or genealogical society for the first time. These organizations may prefer to bill you for their services. Some may ask you to make the check payable to their account number. If you want, you may write an institution to determine their fees before making a request. However, this will significantly increase the time it takes to get information.

Checklist for Mailing Your Letter

- Keep a photocopy of your letter.
- Enclose three international reply coupons.
- Convert funds to foreign currency.
- Mark "Air Mail" on envelopes addressed overseas.

WHAT TO EXPECT

It may take six months or longer for you to receive a reply to your request for information (airmail improves the response time). The results of writing to civil registration offices (or parishes in Quebec) can vary greatly. You may get more information than requested, or you may get no answer at all. Some will not answer until money is sent. Some may be unable to provide information.

Because some information is not easily obtained by writing directly to a registrar (or priest in Quebec), you may need to hire a local private researcher. We suggest that you inquire about a competent local researcher when you write.

When you receive a reply, send a note of thanks or acknowledgement. You may wish to do this in a follow-up letter requesting further information. Refer to your earlier letter and their return letter by date. If they have assigned you a reference number, include that number as well.

Use French-English dictionaries to help you understand the reply. Sometimes you can hire accredited genealogists to translate for you.

If you do not receive an answer, write again sending a copy of your first letter. Do not send more money unless you verify that your first letter did not arrive.

HOW TO WRITE A LETTER IN FRENCH

Your letter should include the following:

- the date (at the top)
- the name and address of the addressee
- a greeting
- a short, specific, genealogical request
- a comment about return postage (and sometimes reimbursement)
- closing remarks
- your signature
- your return address (including your country)

Be brief and simple. Do not ask for more than one or two pieces of information in a single letter.

The following English-to-French translations will help you compose your letter. Read the sentences in English and choose those that best express what you want to say. Alternative phrases are shown in double brackets (« »). Be sure that your sentences are arranged logically. You may want to write your letter first in English using the following sentences, then replace the sentences with their French translations. However you

proceed, make sure you type or neatly print your letter and, when necessary, add any diacritical marks and special characters (such as à, â, ç, é, è, ê, ë, î, ï, ô, ö, û, ù) with a pen.

Gender. Three of the words in the French translations need to match your gender. The words are intéressé(e), obligé(e), and reconnaissant(e). The feminine ending is listed in parentheses. If you are a man, use intéressé, obligé, and reconnaissant. If you are a woman, use intéressée, obligée, and reconnaissante.

Do not use this guide as the letter itself! That might insult the recipient and lessen the chance of a reply.

Writing Dates

Write dates in the European style: day-month-year. Write the name of the month out and write the year in full. For example, write *10 décembre 1889*, not *12-10-89* or even *10-12-1889*.

January	- janvier	July	- juillet
February	- février	August	- août
March	- mars	September	- septembre
April	- avril	October	- octobre
May	- mai	November	- novembre
June	- juin	December	- décembre
