

How to Find Property Tax Records on FamilySearch

Step 1: Sign into FamilySearch

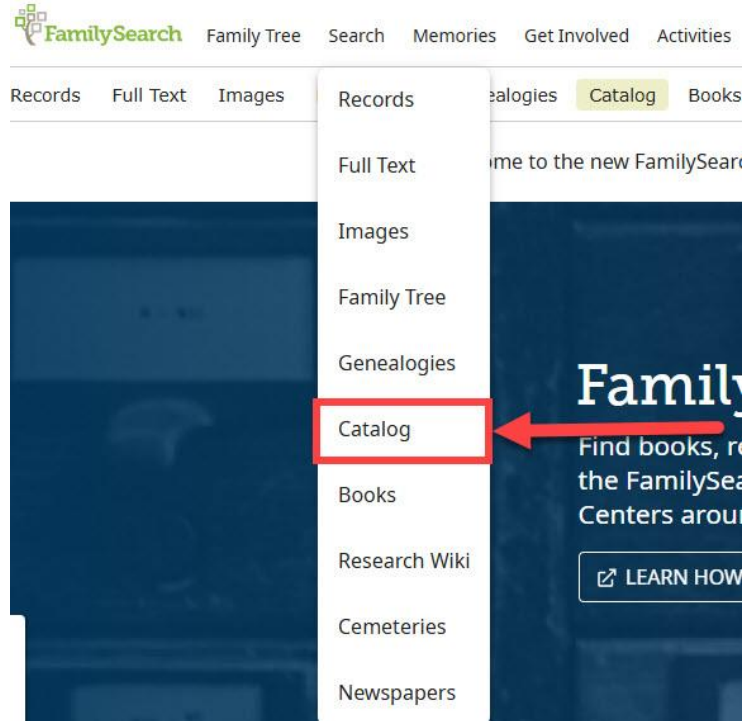

- On the top lefthand side, you will see the following options

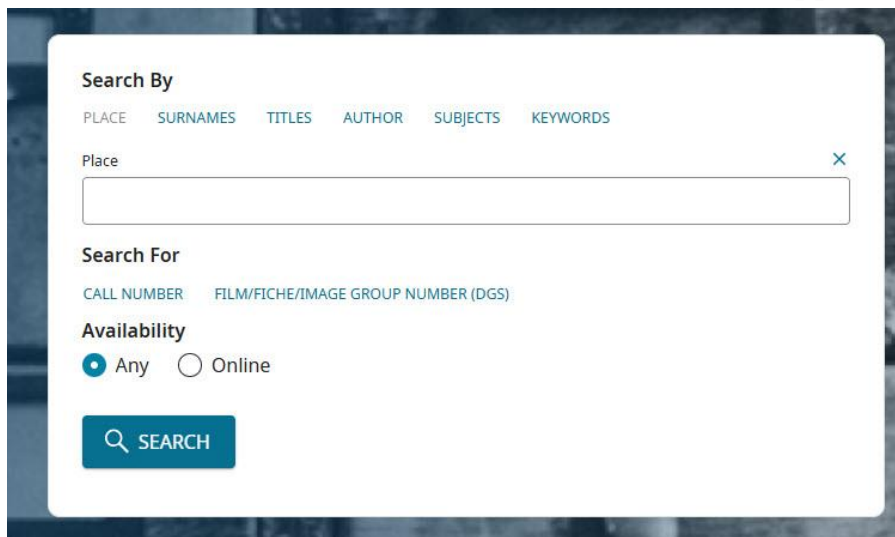

Step 2: Click on “search” and a drop-down menu will appear

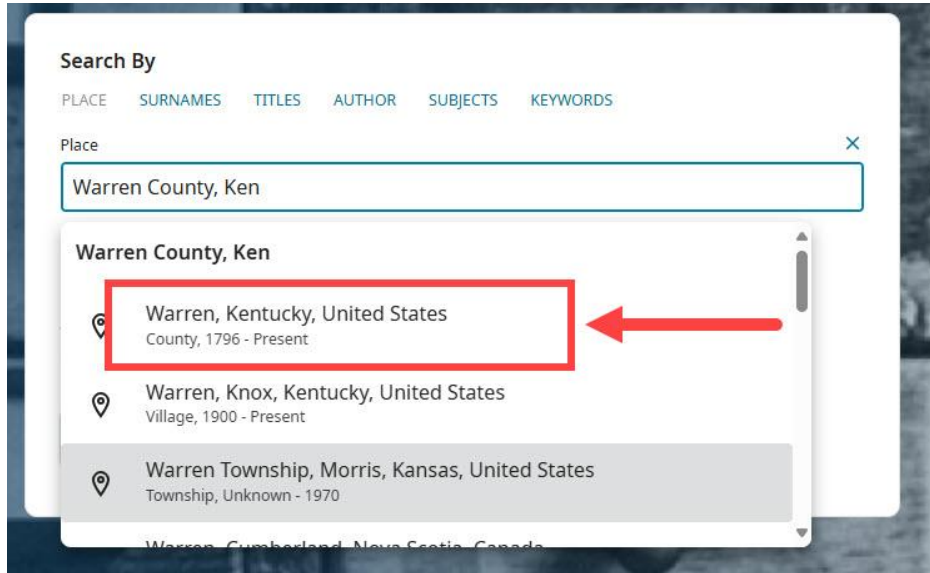

Step 3: Select “*catalog*” from the drop-down menu

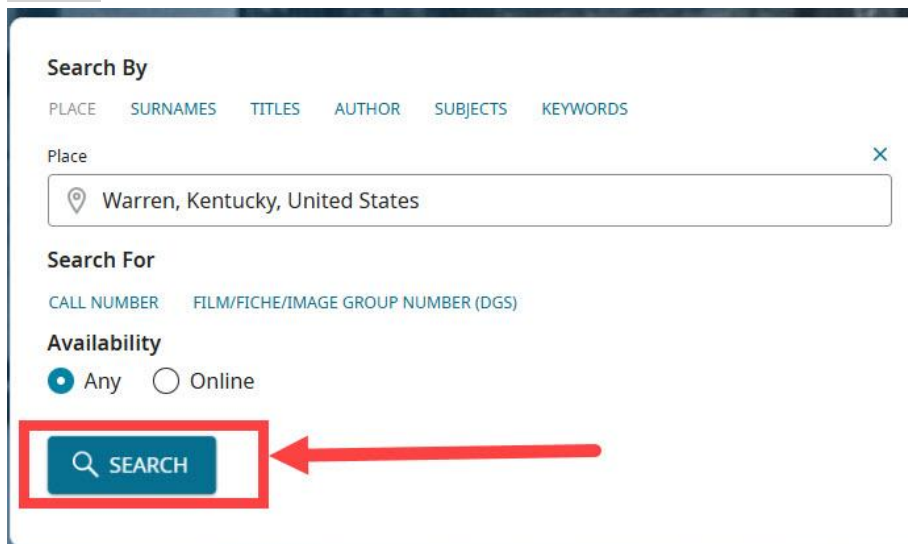

After clicking “*catalog*” the following search box will appear

A screenshot of the search box for the FamilySearch Catalog. The search box is titled "Search By" and has tabs for PLACE, SURNAMES, TITLES, AUTHOR, SUBJECTS, and KEYWORDS. The "PLACE" tab is selected. Below the tabs is a text input field labeled "Place" with a clear button (X) on the right. Below the input field is the "Search For" section, which has tabs for CALL NUMBER and FILM/FICHE/IMAGE GROUP NUMBER (DGS). The "Availability" section has two radio buttons: "Any" (selected) and "Online". At the bottom of the search box is a blue button with a magnifying glass icon and the text "SEARCH".

Step 4: Begin typing the county and state that is the focus of your research. As you do, it will appear in complete form below the search box. Click on the location generated by FamilySearch

Step 5: Click “search”

After Clicking “search”, the following screen will appear
